Legal and technical information pertaining to radio emitting devices

COUNTRY: UNITED ARAB EMIRATES

LABEL NAME: TRA/TDRA

Special Instructions for marking placement:

The Certificate bearer shall make and attach the label on each instrument and set of equipment and on the packaging before it is sold in United Arab Emirates.

Certificate holder must attach warning sign on their Telecommunication tools and/or devices except for short range devices.

The packaging label must contain the QR code that can be found on the bottom right of each certificate.

If the labeling is not possible to be attached to the device then it is possible for the applicant to print the label in the user manual or installation instructions.

It is recommended that this document is kept alongside or inside the owner´s manual
